TEMPLE UNIVERSITY
GRADUATE LIVING
— A COMMUNITY OF THINKERS, DOERS, LEARNERS, AND LEADERS. —
Housing options for graduate and professional students include the Podiatric Student Residence Complex at Eighth and Cherry Streets on the campus of the School of Podiatric Medicine.

Besides the easy application process, there are many other benefits to on-campus Graduate Housing. They include:

- Residences that offer an environment well suited for a busy schedule. All units in the Podiatric Residence Hall offer single occupancy or a private bedroom. Additionally, family housing units are available on a limited basis.
- A choice between a 10-month or 12-month Housing assignment.
- A community environment where opportunities to study and socialize together are promoted.
- Convenient locations—the Podiatric Student Residence Complex is located adjacent to the School of Podiatric Medicine and convenient to locations in vibrant Center City Philadelphia.
- Cable, telephone and Internet access are available in each apartment unit.

I hope you will seriously consider joining our residence community at Temple University.

Sincerely,

Sean P. Killion Ed.D, M.B.A.
Associate Director for Assignments & Billing
University Housing and Residential Life

On behalf of the University Housing and Residential Life staff, I welcome you to campus life. Our staff in Graduate Housing works hard to develop a supportive living environment that promotes academic success and personal growth.
During the Spring semester, current students residing in University housing have the opportunity to participate in a Housing Selection Process to return for the next academic year. Eligibility to participate in this process is based on:

- Good financial standing with the University
- Paying the annual Housing Deposit to the University
- Being a resident within University housing during Spring semester

Residents who meet the eligibility requirements will participate in a Housing Selection Process that allows them to select an apartment and roommate(s) where applicable. Residents will receive notice about the specifics of each year’s Housing Selection Process prior to selection.

Students who are currently enrolled at Temple University and do not live in University housing are permitted to request a space in University housing after current on-campus residents have selected their housing. See pages 2 & 3 to secure your space.
THE HOUSING SELECTION PROCESS FOR GRADUATE STUDENTS IS A SIMPLE, TWO STEP PROCESS.

STEP 1: SUBMIT A HOUSING DEPOSIT

New and returning students are required to submit a $250 housing deposit by the suggested dates.

**Online:**

**Returning students:**
Complete and submit the 2015-2016 Graduate Housing Deposit Form.
1. Log onto the MyHousing site via TUportal.
2. Pay the $250 housing deposit online to reserve your place in the Housing Selection Process.

**New Students:**
Complete the Tuition and Housing Deposit Form available on our website. Mail your form and payment to the Bursar’s office.

**Returning students can also submit the deposit in person or by mail:**

1. Log onto the MyHousing site via TUportal
2. Download and print the 2015-2016 Graduate Housing Deposit Form.
3. Send or deliver it with a check or money order for $250, made payable to Temple University, to the Bursar’s office.

STEP 2: BOOK YOUR ROOM AND MEAL PLAN USING STUDENT WEB SELF-ASSIGN (SWSA)

SWSA enables students to access remotely the system after step 1 has been completed. This system is designed to handle requests on a first-come, first-served basis, so the sooner you book, the greater your chances to secure accommodations.

1. Log onto MyHousing through TUportal and click on the Student Web Self-Assign link to get started.
2. Search for available rooms.
3. Lock your room choice for 15 minutes while you make your final decision.
4. Confirm your room selection.
5. Print your room confirmation and deposit receipt.

DATES FOR GRADUATE HOUSING SELECTION PROCESS

- **Room Retention Process**
  (select the same room)
  for Returning Graduate Students
  Friday, March 20 – Friday, April 3, 2015
- **General Room Selection**
  for New and Returning Graduate Students
  First-come, first-served basis
  Friday, April 10, 2015
GRADUATE HOUSING FACILITIES, POLICIES AND PROCEDURES

NOTIFICATION ABOUT YOUR HOUSING AND MOVE-IN DETAILS
You will receive a letter to confirm your request for Graduate Housing along with important information from University Housing and Residential Life about move-in details. The Graduate License period begins August 1st. Prior to arriving on campus, you must set up a Check-in Appointment with the Resident Director and instructions will be provided in your confirmation letter.

BUILDINGS FOR GRADUATE HOUSING
The Graduate Housing consists of the Podiatric Complex which is located adjacent to the School of Podiatric Medicine and conveniently in Center City Philadelphia. See pages 8–12 for specific apartment floor plans, etc.

SUMMER GRADUATE HOUSING INTENT
As a current resident of Graduate Housing who has renewed your license for 2015-2016 academic year, you have the option to remain in University Housing through June and July for an additional charge. You will need to fill out the Summer 2015 Graduate Housing Intent Form. This form can be found online or at the Housing Office located at 1910 Liacouras Walk, 2nd floor, Philadelphia, PA 19122.

CANCELLING YOUR HOUSING
If you decide to cancel your housing application, a Request to Cancel the Housing License Form can be filled out online via MyHousing. Penalties are listed and are based on date of cancellation and can be found on HousingOnDemand.

STAFFING, SECURITY, AND AMENITIES
Several different individuals make up the staffing of each University Housing facility. The Residential Life staff that manage the daily operations of our graduate facility include one professional Resident Director (RD), who supervises the Graduate Resident Assistants (GRA) that reside at each facility. GRA’s are student staff members who have been carefully selected and trained to assist students.

Residential Life operates an office at the Podiatric Student Residence Complex (PSRC). Additionally, Residential Life and Maintenance Staff are on-call 24 hours a day to respond to emergency situations. Our facilities offer several security features that support a safe living environment, including security screens (on first floor units), and uniformed security officers/ Temple Campus Police.

Our graduate facilities offers residents amenities. The location of our facilities provides residents with easy access to Temple’s academic buildings and libraries. Apartments at PRSC have the flexibility of requesting either a partial furnished or unfurnished apartment. Podiatry offers community space for residents to socialize and plan events. On-site laundry facilities are also available. Electric, heat, water utilities, and cable TV are a part of the room rate.
This seven-story apartment building is located on the corner of Eighth and Cherry Streets on the Temple University School of Podiatric Medicine Campus in Center City. The PODIATRIC STUDENT RESIDENCE COMPLEX (PSRC) offers the convenience of campus living for 127 professional and graduate students with the benefits of city life. Many of Philadelphia's finest shops, cultural and historic attractions are within easy walking distance of the complex.

Six different furnished apartment styles are offered to students in efficiency, one-, two-, and three-bedroom configurations. Utilities included in the room rate at the Podiatric Student Residence Complex: electric, heat, water, and cable TV. For information on establishing telephone and internet see page 4.

Other features of the Podiatric Student Residence Complex include:
• Secured access with an attendant on duty during 24 hours a day
• Carpeted living and bedroom areas
• Each unit features window HVAC units
• Newly renovated
• Coin-operated laundry facilities on each floor
• GRA and professional staff who live on site
• Separate storage bins for each apartment unit
• A fitness and computer room located on the TUSPM campus
• A community social room
• Pool room and TV lounge with wifi access

The Podiatric Student Residence Complex is handicap accessible.

GET CONNECTED

Telephone, high-speed internet access, and wifi are offered as amenities to residential students who live in university-owned facilities. Every bedroom on campus has one telephone jack for each resident at no additional cost. Students must provide their own true touch-tone telephone, not a pulse telephone. Cordless telephones are not recommended.

Using the university telephone service, students can:
• Receive incoming calls
• Make free five-digit internal campus calls
• Make emergency 911 calls
• Use a prepaid calling card to make local, toll-free, suburban, long distance, and international calls.

Temple strongly recommends that students bring their own true touch-tone telephone and plug it into the jack. Even if you primarily plan to use a cell phone, cellular phone signals in the residence halls are not always strong and service is not always reliable. In the event of an emergency, you can use your landline phone to call 9-9-1-1. By doing this, you have the added advantage of having your location automatically passed along to the 911 police dispatcher, which is not the case when using a cell phone.

Voicemail is provided to all residential students. To obtain voice mail, log in to the getconnected.temple.edu website and click on the box indicating voice mail is desired. You will receive a confirmation e-mail acknowledging your request. This confirmation message includes instructions on how to initialize your own voice mail as well as a temporary password you will need for this process.

Also, you can choose to be listed with the Temple University switchboard. By doing this, operators will give out your phone number if requested. To get listed log in to the getconnected.temple.edu web site and click on the option to list your number. Note that Temple operators will only give out your number if you sign up for this option.

Note: The university does not publish a telephone directory. You do have the option to include your telephone number on Temple University’s Cherry & White Pages web site. For details, log in to tuportal.temple.edu and click on Cherry & White Pages.

OFF-CAMPUS LIVING

Temple University Housing cannot guarantee on-campus housing to all of its graduate students. However, Temple University does offer several programs to assist students with OFF-CAMPUS LIVING options throughout the metropolitan Philadelphia area. Off-Campus living information is available at our web site at:

https://housing.temple.edu/resources-and-services/campus-services

On our Web site, students will be able to find recommended apartment complexes, helpful resources, and tip sheets to aid students in their off-campus search.

What makes living off-campus appealing to students is that within minutes from Temple’s campuses, you will find yourself in Center City Philadelphia with the convenience of shopping, restaurants, nightlife, and a high concentration of residential neighborhoods. Some popular areas include Washington Square, Avenue of the Arts, Rittenhouse Square, Chinatown, Old City, and the Art Museum/Fairmount. Each of these areas offers a wide selection of property types (high-rise, brownstone, etc.) with a wide range of amenities such as doorman buildings, 24-hour security, and other amenities to fit different budgets. Each area has its own charm and feel, providing students with a comfortable living environment and rich historic feel of Philadelphia. The Office of University Housing and Residential Life can provide you with assistance in finding alternatives right around the corner from campus.

For further information on different living options throughout the metropolitan Philadelphia area, please call 215-204-3279 to contact a staff person who works with Off-Campus Living Services. Students are also welcome to schedule an appointment for individual advising with a staff person from Off-Campus Living.

Temple University cannot assume any responsibility for any specific off-campus facility not directly managed by Temple University Housing and Residential Life.
