TEMPLE UNIVERSITY

IMPORTANT INFORMATION
FOR SPRING 2015 STUDENTS

YOUR TEMPLE STUDENT NUMBER

Your acceptance letter includes your Temple student identification number (TUid). That is the same TUid you were assigned when you applied for admission. Use your TUid in place of your Social Security number for all transactions with the university.

CONFIRM YOUR ENROLLMENT

To reserve your place in the spring 2015 entering class, you must submit a nonrefundable enrollment deposit of $200 as soon as possible. To request a room in university housing (see below), you must combine both deposits and submit one payment for $450.

There are two ways to make your deposit:

1 Return the enclosed Enrollment Deposit Form with a personal check or money order made payable to Temple University.

2 Use TUpay for online credit card or bank debit transactions by logging in to TUportal.temple.edu and reviewing information provided under the “Welcome” tab. That option allows your deposit to be received more quickly and safely than payments made by mail.

If you have questions about your enrollment deposit, call 888-340-2222.

REQUEST UNIVERSITY HOUSING

The Office of University Housing and Residential Life cannot guarantee university housing for students entering in the spring 2015 semester. However, accommodations usually become available as a result of cancellations and withdrawals before the end of the fall semester—that process generally results in vacancies for new students.

To request housing, you must submit a $250 housing deposit with your $200 enrollment deposit (see Confirm Your Enrollment, above). After November 24, 2014—and generally two business days after receipt of your deposit—you will be able to log in to the MyHousing application via TUportal to self-assign your housing accommodation and meal plan using Student Web Self-Assign, Temple’s online housing system.

Note: Paying a deposit does not guarantee accommodation availability in Temple’s system.

Refunds

If you submit a housing deposit but do not book an accommodation and withdraw from the university, your $250 deposit will be fully refunded after classes begin. If you remain at Temple but do not book housing, refunds will be credited to your account. Prior to booking your housing assignment and meal plan, be sure to review the Undergraduate Housing and Meal Plan License—especially as it relates to the cancellation policy. After you book your housing assignment, the license will be effective.

Closing Dates

After December 12, 2014, students must contact the Office of University Housing and Residential Life at 215-204-7184 to inquire about on-campus housing and for manual assignments—the system closes at the end of the fall semester in preparation for the annual fall housing selection process.

You may also call the Office of University Housing and Residential Life during normal business hours, Monday through Friday, 8:30 a.m.—5:00 p.m. Press option 5 to speak to a customer service representative about assignments, availability or general information about the process.

SUBMIT FINAL TRANSCRIPTS OR CHANGE MAJOR OR CAMPUS

Your offer of admission is based on completed course work and transcripts at the time you submitted your application. If you are still enrolled in classes, you must forward a copy of your final transcript to the Admissions Office as soon as possible. To change your intended major or campus (Ambler or Main), send written notice to the Admissions Office at least two weeks before your scheduled orientation date.

ATTEND ORIENTATION AND REGISTER FOR CLASSES

The Office of Orientation will assist you with your transition to Temple.

Incoming freshmen: You must complete online placement testing and attend an on-campus orientation program in January. It will include academic advising and course selection for the spring semester.

Transfer students: You must complete the Transfer Online Orientation Program and online placement testing, and attend an on-campus academic advising session. (Academic advising sessions are available from late November through January.) For information regarding freshman and transfer orientation, academic advising, and placement testing, visit temple.edu/orientation or call 215-204-8531. In early November, information about orientation will begin to be sent to the Temple email accounts (TUmail) of those who have made deposits.
