RAs report to a Resident Director or Resident Coordinator.

All residents MUST present their Temple University ID to the SOs when entering the halls and must register any guests in accordance with the resident and guest admittance procedures.

GRADUATE HOUSING ON-CALL EMERGENCY RESPONSE SYSTEM

To ensure the effective operation of residence halls and respond to student needs, residential life staff are available during evenings and weekends. The names and phone numbers of the building on call staff are posted in the main lobby of each hall or in designated areas.

Graduate staff are on-call in all campus residence halls from 8:00pm – 8:00am Monday -Friday and on a 24-hour basis on the weekends. While on-call, Graduate staff perform many functions, such as disseminating information to students, interpreting and upholding University policies, and assisting with emergency situations.

RESIDENCE HALL EMERGENCY PREPAREDNESS

In the case of an emergency or relocation within the residence halls, here are some things to think about:

1. The Residential Life staff is here to help! Let the RA, RC, FDM, or RD know if there are questions or concerns, they can help find answers.
2. Here are some questions to ask them:
   - Will I be relocated to a temporary space? How long should I expect to be in the new assignment?
   - What should I bring? (including schoolwork and clothes)
   - How do I access the new space?
   - What type of communication should I expect from Residential Life, and how often will I receive that communication?
   - Will I receive financial support?
3. All residents are encouraged to secure renters insurance for their personal belongings. However, in some cases, the University may partially reimburse for damages. Students will receive e-mail communication during those incidents, but please be prepared to keep all damaged item(s) and ensure you know the cost of the item(s) – either through actual receipts of comparable items found through internet research.

GUEST PRIVILEGES

Special Rule for Graduate Housing: Residents may not gather more than 10 people, including the residents, in an apartment/common space in Podiatry Residence Hall without the prior approval of the UH&RL on staff member. Residents must notify the UH&RL staff member of the location, beginning time and ending time of the gathering.

SAFETY AND SECURITY

CAMPUS SAFETY SERVICES

Campus Police Division has a staff of over 121 state-certified, professional law enforcement officers. Each has graduated from an accredited police academy. Police officers patrol the campus by foot, bicycle, and various vehicles 24 hours a day, 7 days a week, and Security Officers work in the residential facilities as well as various buildings throughout campus.

SAFETY TIPS

- Always keep your door locked.
- Report suspicious or unfamiliar people in the corridors or courtyard to Campus Safety, the SO, or any residential life staff member.
- Secure your room or apartment when leaving campus for vacation or an extended period of time.
- When you plan to be away from school for more than just a weekend, let your roommate and your RA know.
- Being aware of your surroundings is the key to staying safe!
- Utilize campus resources.
- The Temple University OwLoop shuttle bus runs every day from 5:30pm – 6:00 am, and covers the boundaries of Main Campus.
- Use the main and well-lit pathways when traveling at night.
- Do not venture off campus into unfamiliar neighborhoods.
- Always follow your instincts.
- Do not lend your TUID to anyone or leave it unattended.
- If your TUID is lost or stolen, report it to the Diamond Dollars office (Main Campus) at 215-204-3140 during regular hours Monday – Friday, 8:30 am – 5:00 pm.
- If your TUID is lost or stolen after hours, students should deactivate card online through their TUPortal and click on the Diamond Dollars link.
- A $20 replacement fee will be charged regardless of whether or not your card was lost or stolen. Once a replacement card has been printed, the initial card will be invalid, even if it is found.

TU READY

To learn more about emergency preparedness, please see the TU Student Checklist and visit temple.edu/tuready. There are a number of important steps you can take to be TU Ready.

A. Confirm your contact information in TUPortal to ensure you receive TU Alerts.
   1. To register for TU-Alert, complete the following:
      - Log in to TUPortal.
      - Click Self-Service Banner on the left-hand side under TU Applications.
      - Click Personal Information.
      - Select Update Addresses and Phones in the menu.
      - Verify there is a Permanent Address type (PR) or add one if there is not by using the form that is accessible at the bottom of the page.
   2. Under Permanent, click Current link.
      - There will be five options for phone numbers.
      - Verify that you wish to receive TU Alert notifications on the numbers listed as the Cellular-Personal Phone Type.
      - Or add a new number if you wish.

B. Learn the vocabulary. Temple uses multiple emergency notification methods in the event of an incident, each designed for a specific need. The most commonly used notification is TU Alert.
   1. TU Alert is used to communicate information about on-campus incidents or disruptions of operations deemed emergencies that require immediate action on the part of students and staff. They are sent as text messages to registered cellphones and emails to all Temple University accounts.
      - Take a moment right now to register your cellphone and become TU Ready.
   2. Shelter in Place means stay inside, do not evacuate, and close all windows and doors until you’re notified that the area has been deemed safe again.
   3. Evacuation means to quickly and calmly exit the location you’re in. Do not use the elevators. Look for anyone who may need assistance to safely exit the building. Go to the designated rally point to check in.
   4. All Clear is the message that will be sent once emergency personnel have investigated the scene and determined that there is no known continuing threat to the community.

C. Add TU Alert as a contact in your cellphone. This allows you to identify when you are receiving a TU Alert. (These numbers do not receive calls.)
   - CONTACT NAME: TU Alert
   - MOBILE NUMBER: 215-777 7777
   - TEXT ID: 24639

To learn more about Emergency Preparedness, please visit the TU Ready site (www.temple.edu/tuready).

YOUR ROOM

ROOM MAINTENANCE

Students residing in Temple University residential halls who need repairs in their units or need assistance with cable should go on-line to the Maintenance Direct system: www.myschoolbuilding.com to submit maintenance concerns.

The login information is the following:
Account Number: 832806354
Password: "owls"
Click "Submit Organization."

Students should enter their full name, the room/unit number and building name, their phone number, the date and time of their request, and a detailed description of the problem. Be sure to complete all of the above information; missing information may delay repairs.

CHECK-IN AND ROOM CONDITION REPORT (RCR)

As part of the check-in procedure, each student will be required to check the condition of their room against a Room Condition Report (RCR). An RCR is a record of the inventory and condition of the room, suite or apartment. Any discrepancies that a student finds between the RCR and the actual condition and inventory of the room, suite or apartment should be brought to the attention of the Resident Assistant before the student signs the form. A copy is available upon request, and the original is kept on file. Residents should be aware that they will be charged for any damage done to their furniture or room (including floor, walls, doors, etc.).

CHECK-OUT AND ROOM CONDITION REPORT (RCR)

Starting in late April, check-out information will be provided to students via e-mail, bulletin boards and on the University Housing and Residential Life website. Please be certain to note and follow the check-out information and guidelines that are provided to you.

In general, each resident will need to do the following when checking out:
1. Clean the room, suite or apartment and remove all of their belongings.
2. Complete the check-out procedures and move out by the designated closing date and time. Residents should take all personal belongings home, as they will not be able to gain entrance to the halls after the closing date and time.
3. After all residents have vacated, staff will perform a final inspection of the rooms and common areas of the residence halls.

DAMAGE ASSESSMENT

The cost of damage to common areas and other portions of the hall will be divided among the floor or residence hall occupants when the individuals who caused the damages are not identified. All damage appeals must be submitted within 15 calendar days of the date that the bill. Students will receive an e-mail at the end of the semester letting them know about any damage billing that they are responsible for.

Residents will be held responsible for the cost of damage repairs in common areas of the specified living area when individual billing is not appropriate or possible. Decisions as to whether damages are billed to an individual or all residents in a specified area (i.e., room, suite, apartment, floor, or hall) or to all residents in the facility are made by the University.

University Housing and Residential Life will notify students in writing of damage, repair or replacement costs and will assess all costs of repair or replacement directly to a student’s University account.

1. Room keys or key cards are issued to assist in resident safety and the security of a resident’s possessions.
2. Residents are responsible for the replacement costs of all lost or stolen keys, key cards and guest cards issued to them.
3. Residents can report all lost and stolen keys, key cards, and guest cards at the front desk of their residence hall.
